## PROJECTS

- Call Center Analysis** [Live Link](#)  
*PWC VIRTUAL INTERNSHIP PROJECT*
  - Created a dashboard which defines the agent performance and their accuracy towards answering the customer's call.
  - I executed this dashboard and presented them in 2 days
  - Tools : Power BI, MS Power Point
  - Area of Responsibility: Dashboard Design, Data Cleaning, Presentation.
  - Features : Answered and Resolved by Agent, Satisfaction Rate, Num of calls per month
- Sales and Production Analysis**  
*NATUR TEC COMPANY INTERNSHIP PROJECT*
  - Created a dashboard which defines Sales, Expense, Collection done by the company. Natur Tec is bio-based product retailer and production had many complex problem in knowing their actual sales. So i created dashboard to monitor their sales and made them into live.
  - I worked for 5 months as a intern and i completed it within that period
  - Tools : SQL, Power BI, Presentation, Excel.
  - Area of Responsibility: Dashboard Design, Data Cleaning, Data Gathering, Data Modelling, Presentation.
  - Features : Financial Year/ Monthly Sales and thier Expenses, Actual vs Expenses Chart, Monthly wise Collection, Company wise sales, Knowing Top 20% Contributors who are responsible for the 80% of our sales

“

A highly motivated and diligent individual committed to taking on challenges, working well with others and always meeting deadlines. Dedicated to utilizing my knowledge and skills to achieving positive outcomes in professional environments.
